THE OBJECTIONS

Of Councilman Healy to Harding Liquor Application

MADE PUBLIC LAST EVENING

At the Meeting of the Council Committee on Petitions and Remonstrances—He Claims the Pabst People are Entering into an Unfair Competition with the Wheeling Breweries by Buying Up Saloon Properties.

The meeting of the council committee on petitions and remonstrances last evening was out of the ordinary, owing to the novel grounds on which Councilman Frank Healy objected to a liquor license being granted to Gottlieb Harding, in the building at 1601 Market street, which was recently acquired by the Pabst brewery, of Milwaukee. Mr. Healy said he had no objections to Mr. Harding personally, but he did object on the ground that the policy of the Pabst in buying up saloon properties in Wheeling and stipulating that liquor dealers occupying them shall sell nothing but Pabst beer is unfair competition with the two Wheeling breweries. Mr. Wheat, the Wheeling wholesale dealer in the Pabst beer, replied with vigor and asserted that the Pabst people are doing here only what the Wheeling breweries are doing in towns in this section. After a thorough discussion the committee recommended that the license be granted.

The committee met at 8 o'clock, after the real estate committee had adjourned, with Chairman Bradbury in the chair and Councilmen Bloomfield, Ritter, Beuter and Williams present.

The application of Fleischmann Bros., 1032 Market street, for a transfer of the license to Chris Fleischmann was acted upon favorably by the committee.

The application of Gottlieb Harding for a license at 1601 Market street, objected to in the second branch by Councilman Frank Healy, was next brought up. Mr. Healy spoke first and said he understood the Pabst people, of Milwaukee, are buying up saloon properties in Wheeling and shutting out the Wheeling breweries from their legitimate field. The two local concerns are heavy taxpayers, each paying more than \$1,100 water rent every year. Over \$4,000 in city taxes are paid by them each year. Each year they spend \$15,000 to \$20,000 in improvements. The license for Harding is really for the Pabst people, he claimed. The local breweries are not buying up property; they compete legitimately. He was not kicking against Harding, who he said is a gentleman; he did object though to unfair competition from these foreign breweries.

Mr. Harry L. Wheat, wholesaler for the Pabst people, spoke. His company has spent in Wheeling \$100,000, which surely makes them taxpayers. Since 1890 he had paid \$100 to \$200 a year taxes. He has employed as high as twenty-two men. He said he was the wholesale dealer in Pabst beer; he was not agent of the Pabst company. His company was doing in Wheeling just what the Reymann and Schmutz companies are doing at Sistersville, Grafton, Bellaire, Steubenville, Pittsburgh and other cities. As to Mr. Harding he has proved himself a reputable citizen, and there can be no objections to him personally.

Mr. Healy replied that one of the local breweries pays out annually over \$70,000.

Mr. Wheat said the Reymann company owns saloon properties in Parkersburg and other towns. In Milwaukee, he said, outside beer is sold in opposition to Pabst and Schlitz.

Mr. Bloomfield moved that the application be recommended favorably.

The vote was as follows:

Aye—Bloomfield, Williams, Ritter.

No—Ritter.

At 8:30 p. m. the committee adjourned.

Outing at Pleasant Valley.

Final arrangements on a large scale have been made for the outing to take place at Pleasant Valley park on Wednesday. The members of St. Michael's congregation have spared neither time nor money to make the affair a great success in every respect. The picnic will be opened at 2 p. m. and continue till midnight. An excellent orchestra will play all afternoon and evening. Oscar and Eddie Gardner have kindly consented to give a scientific fistic exhibition at 8 p. m. This exhibition will be a great attraction for lovers of the fistic sport. At 8:30 p. m. a tastefully arranged programme of eight instrumental selections will be rendered by an orchestra of twelve. Refreshments of all kinds will be served by a corps of ladies, under the leadership of Mrs. Carolina Dimmey.

Card of Thanks.

The Sisters of St. Joseph acknowledge their indebtedness to the local Catholic organizations for their ready acceptance of the invitation given the members to assist at the ceremony of blessing and laying of the corner stone of the new academy and for the unusually fine display made by the societies when in line. To the gentlemen who thus publicly displayed so deep an interest in the event, the Sisters tender sincere thanks.

the power of that influence

\$6.50 Men's Suits, reduced from **\$9.00** Men's Suits, reduced from

These figures seem to have hypnotized the clothes buyers hereabouts. Those great piles of fine all wool Men's Suits which we have been selling the past week at

have pitched and tumbled, losing here a suit and there a suit until they have lost all semblance to their former bigness. This sale creates excitement, and no wonder, for when BAER'S make a sale of this nature it's no fake, but a bona-fide sale, and the people know this means something different from the everlasting 20 per cent to 25 per cent discount sale of others.
